

NOTICE

Ref. no. iLEAD/Prin/St. non-payment/05-6-2026

Date: June 5, 2026

It has been observed that despite repeated reminders and requests, a significant number of students have not cleared their tuition fee dues and continue to have outstanding payments for multiple semesters.

Students are hereby reminded that the tuition fee payment deadlines at iLEAD are:

- **June 2** every year for the **Odd Semester**
- **December 2** every year for the **Even Semester**

Accordingly, the fee payment due date for the **Odd Semesters of 2026** was **June 2, 2026**, while the due date for the **Even Semesters of 2026** was **December 2, 2025**.

In view of the persistent non-payment of fees and after careful consideration, the Management has decided that the practice of carrying forward long-pending fee dues will not continue any further.

Therefore, students who have outstanding tuition fee dues for **more than one semester** may be **discontinued from the College with effect from June 15, 2026**. Individual discontinuation letters will be issued to the concerned students in due course.

All concerned students are advised to clear their outstanding dues immediately to avoid any adverse action.

By Order of the Management
